

University of Sri Jayewardenepura
Faculty of Allied Health Sciences
Department of Pharmacy and Pharmaceutical Sciences
B. Pharm Degree Program
Batch 2021/2022
PHS 3503: Hospital and Community Pharmacy

Please note the list of pharmacies available for Community Pharmacy Placement, commencing from 2nd of October 2025 to 30th October 2025.

Students will be required to work in the assigned community pharmacies from Monday – Friday every week from 1.30 p.m. to 5.30 p.m. (**100% attendance will be required** for the Hospital and Community Pharmacy Placement).

Students who have high % of attendance for lectures will be given priority to select his/her choice of the preferred pharmacy. We recommend students to select a pharmacy that have high volume of sales and patient engagements rather than convenience to receive better training.

Selection will happen physically at the Department on 23rd of September 2025 at 1.00 p.m. Students who do not attend on that day, will be assigned to a pharmacy by the Department. Mutual exchanges will **NOT BE ALLOWED** once the students are assigned for a community pharmacy.

Pharmacy Name	Location	Number of Students
Rajya Osusala	Colombo 04	02
	Colombo 07	02
