

**ACADEMIC PROGRAMME AND EXAMINATION
STRUCTURE OF
BACHELOR OF SCIENCE HONOURS IN NURSING DEGREE
PROGRAMME**

**FACULTY OF ALLIED HEALTH SCIENCES
UNIVERSITY OF SRI JAYEWARDENEPURA
GANGODAWILA
NUGEGODA**

01. Introduction

The Bachelor of Science Honours in Nursing degree is a level 6, Pre-Registration Degree course designed to equip nurse practitioners, who are beginners, with competencies in providing safe and effective nursing care of high standard in a variety of settings. The graduates of this programme will have the potential to practice as Generalist Nurses, Midwives and Community Health Nurses. The curriculum provides a sound scientific and humanistic foundation for nursing practice enabling the students to develop competencies necessary for the delivery of nursing care related to prevention, maintenance, cure, rehabilitation and promotion of health. It also addresses the acute and chronic health problems throughout their life span, including care of the child bearing women from conception to child birth. Apart from being sensitive and caring towards their clients, graduates of this programme will be confident of their contributions to the care and will be able to articulate the nurses' role to other disciplines in health care ensuring patient safety. The programme also introduces nursing research and evidence - based nursing practice at an early stage. Emphasis is placed on developing critical and reflective thinking, decision making, problem solving and social skills of the undergraduates, and skills to address professional, moral and ethical issues. The programme is designed to encourage students to acquire knowledge and insights through self-directed learning and motivate innovative approaches. The course objectives are aligned with the Sri Lanka Qualification Framework (SLQF) and curriculum is designed to meet the required standards stipulated. This course meets the academic and clinical education requirements stipulated by the Sri Lanka Nursing Council for registration. Further, the course was accredited by the Ceylon Medical College Council (CMCC) in 2009 and Sri Lanka Nursing Council (SLNC) in 2013.

02. Overview of the Curriculum

The course is offered over twelve terms (04 academic years) for the Bachelor of Science Honours in Nursing Programme, full time and a minimum of 03 years for the lateral entrants. Each academic year comprise 03 regular terms and, each term is 10 weeks in duration. Bachelor of Science Honours in Nursing degree offers a course with 130 credits. The number of study hours of each subject is arranged according to number of credits assigned as follows.

Each course unit has a defined credit value ranging from 2.0 to 8.0. One credit unit consists of approximately 15 hours of lecture or 30 hours of laboratory work or 50 hours of field practical / clinical work. If a course is composed of lecture, laboratory work, and clinical experience, the number of study hours of each part is arranged in proportion to the number of credits assigned. The course will include nursing practice in a variety of clinical settings and in the community.

03. Graduate Profile

It is expected that a nursing graduate will be able to;

1. Apply knowledge skills and attitudes in providing nursing care in a culturally sensitive manner.
2. Practice with compassion and a caring manner taking informed decisions based on ethical principles and self-reflections.
3. Work effectively with other health care professionals as a team member and a team leader in delivering health care with responsibility and accountability.
4. Conduct research and disseminate the findings to improve health care and health professions education nationally and globally.
5. Be a lifelong learner and advance in the career contributing to the changing needs of the profession and society.

04. Programme Outcomes

A graduate of the Bachelor of Science Honours in Nursing programme at the Sri Jayewardenepura University will be able to;

- Integrate a body of scientific knowledge from the humanities & biological sciences effectively when giving care.
- Participate actively and effectively as a member of the Health Care Team in preventive, promotive, curative and rehabilitative areas of health care delivery.
- Assess the needs of individuals, families and community, plan and implement nursing care and evaluate the effectiveness of nursing interventions.
- Demonstrate effective and therapeutic communication skills in nursing relationships.
- Demonstrate competence in application of safe, effective, and efficient use of technology and resources.
- Appreciate and enhance continual personal and professional development of self and colleagues
- Participate actively in educating clients regarding their care in clinical situations and in the community.
- Demonstrate abilities in ethical decision making and professional practice
- Contribute to nursing knowledge through planning and conducting nursing research activities and sharing the findings with their colleagues.
- Apply best available evidence in enhancing quality of nursing care

Nursing Elective: Midwifery / Psychiatric & Mental Health / Trauma Nursing/ Elderly care/ Palliative care

Nursing Clinical Practice

Year	Subject area	No: of hours	Clinical Area
Year 1	Fundamentals of Nursing	250	1. General Medical & Surgical wards
Year 2	Surgical Nursing I	375	1. Medical & Surgical wards
	Medical Nursing I		2. Special units*
Year 3	Surgical Nursing II	275	1. Medical & Surgical wards
	Medical Nursing II		2. Special units*
	Maternal Health & Gynaecological Nursing I	110	3. Gynaecology and obstetrics wards
	Child Health Nursing I	150	4. Paediatric units
	Psychiatric & Mental Health Nursing	100	5. Psychiatry units
Year 4	Maternal Health & Gynaecological Nursing II	150	1. Gynaecology and obstetrics wards
	Child Health Nursing II	175	2. Paediatric units
	Management in Nursing	50	3. Psychiatry units
	Nursing Elective	300	4. Trauma units
	5. Aged care homes		
			6. Palliative care unit
			7. Medical & Surgical wards & Special units*
	Total Hours	1935	

+ Additional hours during vacation

Second year: * Special units – Duration of training

Operating theatre	- 04 weeks	Accident and Emergency	- 03 weeks
Central Sterile Supplies Department	- 01 weeks	(Including Burns Unit)	
Dermatology	- 01 week	Orthopaedic wards	- 03 weeks
STD Unit	- 01 week	Out Patients' Department	- 03 weeks
Blood bank	- 02 weeks	Radiology Dept.	- 01 week
		Oncology unit	- 01 weeks

Third year: * Special units – Duration of Training

Cardiology unit	- 02 weeks	E.N.T unit	- 02 weeks
Cardio thoracic unit	- 02 weeks	Ophthalmology	- 02 weeks
Dialysis Unit	- 01 week	Neonatal ICU/ SCBU	- 01 week
Neuro - surgical unit	- 02 weeks		

Community Field Practice

Year	Subject area	No: of hours	Field Area
Year 2	Community Health Nursing I	150	Poly clinics, Home visits, other field visits, School health inspection, Surveys
Year 4	Community Health Nursing II	50	Family attachment

Assessments of Bachelor of Science Honours in Nursing

Student assessments will consist of continuous assessments and end-course assessments for their theoretical applications and practical experience.

Assessment (theory and practice)

Subjects those are completed within an academic year will be assessed during the course or at the end of the particular academic year.

Assessment (Nursing Practice)

Practical experience for each nursing clinical subject will be assessed by academic staff of the university and consultants, special grade nursing officers and nursing officers (Grade 1) from relevant teaching hospital during the study period as well as at the final examination. The students will also be encouraged to self-evaluate their learning throughout the programme.

Assessment criteria

The students have to complete the requirements for each component of the subjects/course units to be eligible to sit for an examination.

Methods of assessment

Student's performances at each subject/course unit is assessed and graded by one or more of theory examinations, practical/clinical examinations at the hospital setting, OSPE, OSCE, continuous assessments and viva voce examinations as applicable to nursing.

Theory components will be assessed mainly by written examinations consisting of Multiple Choice Questions and Structured Essay Questions. Practical/clinical skills will be assessed by practical examinations and Objective Structured Practical Examinations (OSPE), OSCE coupled with viva voce examinations.

Examination Structure

(1) First year

1.1 Continuous assessment of the Bachelor of Science Honours in Nursing - Part 1 Examination.

The continuous assessment (CA) will be held during the 1st year and it will assess the course content of 1st and 2nd terms.

1.2 Subjects/course units which are assessed at the end of term 1 and Term 2 are Anatomy, Physiology, Biochemistry, Fundamentals of Nursing I, Fundamentals of Nursing Practice I, Psychosocial aspects of Health, Pharmacology in Nursing and Nursing History, Ethics & Professional Development I.

1.3 Percentage of continuous assessment marks which carry from each subject/course unit for Bachelor of Science Honours in Nursing - Part 1 Examination is as follows.

Subject code	Subject/Course unit	Percentage for the final mark from CA
NUR 1401	Anatomy	20%
NUR 1402	Physiology	20%
NUR 1203	Biochemistry	20%
NUR 1704	Fundamentals of Nursing	20%
NUR 1805	Fundamentals of Nursing Practice	20%
NUR 1306	Nursing History, Ethics & Professional Development I	30%
NUR 1407	Psychosocial aspects of Health	30%
NUR 1208	Pharmacology in Nursing	40%

1.4 Structure of the Continuous Assessment – First Year (at the end of the second term)

Existing					
Subject/Course unit	Component	Number of Questions	Time allocation	Marks allocated	
Anatomy NUR 1401	MCQ	15	45 minutes	7.5%	20%
	SEQ	02	01 hour	7.5%	
	OSPE	10	45 seconds for each	5%	
Physiology NUR 1402	MCQ	15	45 minutes	10%	20%
	SEQ	02	01 hour	10%	
Biochemistry NUR 1203	MCQ	15	45 minutes	10%	20%
	SEQ	01	30 minutes	10%	
Fundamentals of Nursing NUR 1704	MCQ	20	45 minutes	20%	20%
	SEQ	02	01 hour		
Fundamentals of Nursing Practice NUR 1805	Clinical skills assessment		*In practice- 50 minutes Viva – 10 minutes	20%	20%
Nursing History, Ethics & Professional Development I NUR 1306	Assignment	01			30%
Psychosocial aspects of Health NUR 1407	Unit 1 – Sociology Written Assignment			15%	30%
	Unit 2 - Psychology Written Assignment			15%	
Pharmacology in Nursing NUR 1208	OSPE	10 stations	3 minutes for each each		40%

*In practice – Clinical skills lab and Clinical setting

1.5 Bachelor of Science Honours in Nursing - Part I Examination

At the end of the 3rd Term, First Year, there will be Part I Examination. The course units are Anatomy, Physiology, Biochemistry, Fundamentals of Nursing, Fundamentals of Nursing Practice, Psychosocial aspects of Health, Pharmacology in Nursing and Nursing History, Ethics & Professional Development I.

Percentage of marks allocated for each subject is as follows.

Subject code	Subject/ Course unit	Marks allocated
NUR 1401	Anatomy	80%
NUR 1402	Physiology	80%
NUR 1203	Biochemistry	80%
NUR 1704	Fundamentals of Nursing	80%
NUR 1805	Fundamentals of Nursing Practice	80%
NUR 1306	Nursing History, Ethics & Professional Development I	70%
NUR 1407	Psychosocial aspects of Health	70%
NUR 1208	Pharmacology in Nursing	60%

1.6 Structure of the Bachelor of Science Honours in Nursing - Part I Examination

Subject/course unit	Component	Number of Questions	Time allocation	Marks allocated		Subsequent attempts
Anatomy NUR 1401	MCQ	30	1 ½ hours	30%	80%	100%
	SEQ	04	02 hours	30%

Physiology NUR 1402	MCQ	30	01 ½ hours	30%	80%	100%
	SEQ	04	02 hours	30%		
	Structured viva		10 minutes	20%		
Biochemistry NUR 1203	MCQ	20	01 hour	30%	80%	100%
	SEQ	03 (02 SEQs from theory and 01 SEQ from practical)	1 ½ hours	50%		
Fundamentals of Nursing NUR 1704	MCQ	40	01 ½ hours	40%	80%	100%
	SEQ	04	02 hours	40%		
Fundamentals of Nursing Practice NUR 1805	Clinical skills assessment		*In practice– 01 hour Viva – 10 minutes	80%	80%	
Nursing History, Ethics & Professional Development I NUR 1306	Portfolio based structured viva	Viva voce exam – 20% Portfolio – 10%	10 minutes Viva voce exam	30%	70%	100%
	SEQ	02	01 hour	40%		
Psychosocial aspects of Health Unit 1 & Unit 2 NUR 1407	Unit 1 – Sociology				70%	100%
	MCQ	15	30 minutes	35%		
	SEQ	02	01 hour			
	Unit 2 – Psychology					
	MCQ	15	30 minutes	35%		
	SEQ	02	01 hour			
Pharmacology in Nursing NUR 1208	Clinical skills assessment		*In practice - 20 minutes	45%	60%	100%
			Viva - 10 min	15%		

*In practice – Clinical setting or Clinical skills lab

For subsequent attempts the continuous assessment marks are not counted. Score of each subject of the BScHons (Nursing) Part I Repeat examination is converted into 100% and considered as the final mark. In addition, only SEQs will be held in subsequent attempts in Nursing History, Ethics & Professional Development I.

(2) Second Year

The subjects /course units which are assessed in the 2nd year are Community Health Nursing I, Health Teaching & Learning, and Communication Skills in Nursing, Microbiology & Parasitology, Pathology, Pharmacology, Surgical Nursing I and Medical Nursing I.

2.1 Structure of the Continuous Assessments - Second Year

Subject code	Subject/Course unit	Components of assessment	Number of Questions	Time allocation	Marks allocated
NUR 2506	Community Health Nursing I	Structured Viva	05	10 minutes	10%
NUR 2207	Communication Skills in Nursing	Reflective Portfolio			20%
NUR 2208	Health Teaching & Learning	Written Assignment	01		15%
		Group Assignment	Health education session	In practice* – 30 minutes	15%

*In practice – Clinical setting or Clinical skills lab

2.2 Bachelor of Science Honours in Nursing - Part II Examination

Subject code	Subject/Course unit	Marks allocated
NUR 2701	Surgical Nursing I	100%
NUR 2602	Medical Nursing I	100%
NUR 2403	Microbiology and Parasitology	100%
NUR 2304	Pathology	100%
NUR 2205	Pharmacology	100%
NUR 2506	Community Health Nursing I	90%
NUR 2207	Communication Skills in Nursing	80%
NUR 2208	Health Teaching & Learning	70%

2.3 The structure of the Bachelor of Science Honours in Nursing - Part II Examination

Subject	Component of assessment	Number of questions	Time allocation	Marks allocated		Subsequent attempts
Surgical Nursing I NUR 2701	MCQ	30	1 hour	20%	100%	100%
	SEQ	03	1 ½ hours	30%		
	Clinical skills assessment*	OSPE 03 and OSCE 02	05 to 10 minutes per each	50%		
Medical Nursing I NUR 2602	MCQ	30	1 hour	20%	100%	100%
	SEQ	03	1 ½ hours	30%		
	Clinical skills assessment*		In practice - 1 hour Viva – 10 minutes	50%		
Microbiology & Parasitology NUR 2403	SEQ	Microbiology -03 Parasitology-02	2 ½ hours	80%	100%	100%
	Practical/ OSPE	Microbiology- 06 Parasitology-04	02 minutes for each	20%		
Pathology NUR 2304	SEQ	04	2 hours	80%	100%	100%
	OSPE	10 stations	02 minutes for each	20%		
Pharmacology NUR 2205	MCQ	20	1 hour	40%	100%	100%
	SEQ	03	1 ½ hours	60%		
Community Health Nursing I NUR 2506	MCQ	20	1 hour	30%	90%	100%
	SEQ	04	2 hours	45%		
	OSPE	10 stations	02 minutes for each	15%		
Communication Skills in Nursing NUR 2207	OSPE	06 stations	05 minutes for each		80%	100%
Health Teaching & Learning NUR 2208	MCQ	30	1 hour	30%	70%	100%
	SEQ	03	1 ½ hours	40%		

*In practice – Clinical setting or Clinical skills lab

For subsequent attempts the continuous assessments marks are not counted. Score of each subject of the BScHons (Nursing) Part II Repeat examination is converted into 100% and considered as the final mark.

(3) Third Year

Subjects/course units which are assessed at the end of 3rd year are Surgical Nursing II, Medical Nursing II, Basic Statistics & Nursing Research, Psychiatric & Mental Health Nursing, Maternal Health & Gynaecological Nursing I, Child Health Nursing I and Nutrition and Dietetics.

3.1 Structure of the Continuous assessments - Third year

Subject code	Subject	Components of assessment	Marks allocated
NUR 3305	Basic Statistics & Nursing Research	Group Assignment I : Literature Review (At the end of the 1 st term) Assignment II : Research Critique(At the end of the 2 nd term)	15% } 15% } 30%
NUR 3207	Nutrition and Dietetics	Assignment	20%

3.2 Structure of the Bachelor of Science Honours in Nursing - Part III Examination

Subject/course Unit	Component of assessment	Number of questions	Time allocation	Marks allocated	Subsequent attempts
Maternal Health & Gynaecological Nursing I NUR 3601	MCQ	30	1 hour	30%	100%
	SEQ	03	1 ½ hours	30%	
	Skills assessment	OSPE 10	5 minutes for each	40%	
Child Health Nursing I NUR 3602	MCQ	30	1 hour	30%	100%
	SEQ	03	1 ½ hours	30%	
	Skills assessment	OSPE 10	5 minutes for each	40%	
Surgical Nursing II NUR 3603	MCQ	30	1 hour	20%	100%
	SEQ	03	1 ½ hours	30%	
	Clinical skills assessment		In practice - 1 hour Viva – 10 minutes	50%	
Medical Nursing II NUR 3604	MCQ	30	1 hour	20%	100%
	SEQ	03	1 ½ hours	30%	
	Clinical skills assessment*	OSPE 03 and OSCE 02	05 to 10 minutes per each	50%	

Basic Statistics & Nursing Research NUR 3305	MCQ	30	1 hour	35%	70%	100%
	SEQ	03	1 ½ hours	35%
